There's a clear fountain flowing
 A2/F# E
 Filled with streams of love and grace
 A2/F# E
 An abundance that can fill my heart
 F#m B
 And every tribe and race
 A2 A2/E
 O the cross of my redeemer
 C#m B A2/F#
 It's from there this river flows
 A2/F# E A2/F#
 What sacred love was shown

Never shall the cross forsake me
 So in confidence I come
 Drawing near in full assurance
 Covered by Your blood
 O the cross of my redeemer
 In it's shadow I will live
 What sacred love You give

On Christ the solid rock I'm standing
 Firmly rooted in the Word
 None shall ever separate me
 From my Saviour's love
 O the cross of my redeemer
 It's my glory and my grace
 Your sacred love, my peace
